enter – limited places for
shows

Henley Youth Festival is a fun-filled festival open to young people in Henley and the surrounding villages to perform, watch live shows, take part in art, music and dance workshops plus enter competitions and the HYF Run.

There are writing, art and film competitions as well as the chance to join the HYF team and become a Young Reporter (open to Years 7+) to write a review of HYF events which will be published in the Henley Standard.

This year's theme is **Growing** – so we'd love you to be inspired by this whether you're entering an act for The Kenton shows, writing a poem or story, creating a piece of artwork or producing a film.

What does Growing mean to you?

Growing in confidence, in numbers, in nature (seedlings to plants or acorns to an oak tree), growing physically from babies to adults or perhaps thinking about what you would like to be when you grow up?

Closing Date for Entries

25 February 2025

Don't Miss Out!

Thanks to Our Sponsors & Partners
